Markt- en evenementenplein

Variant 1

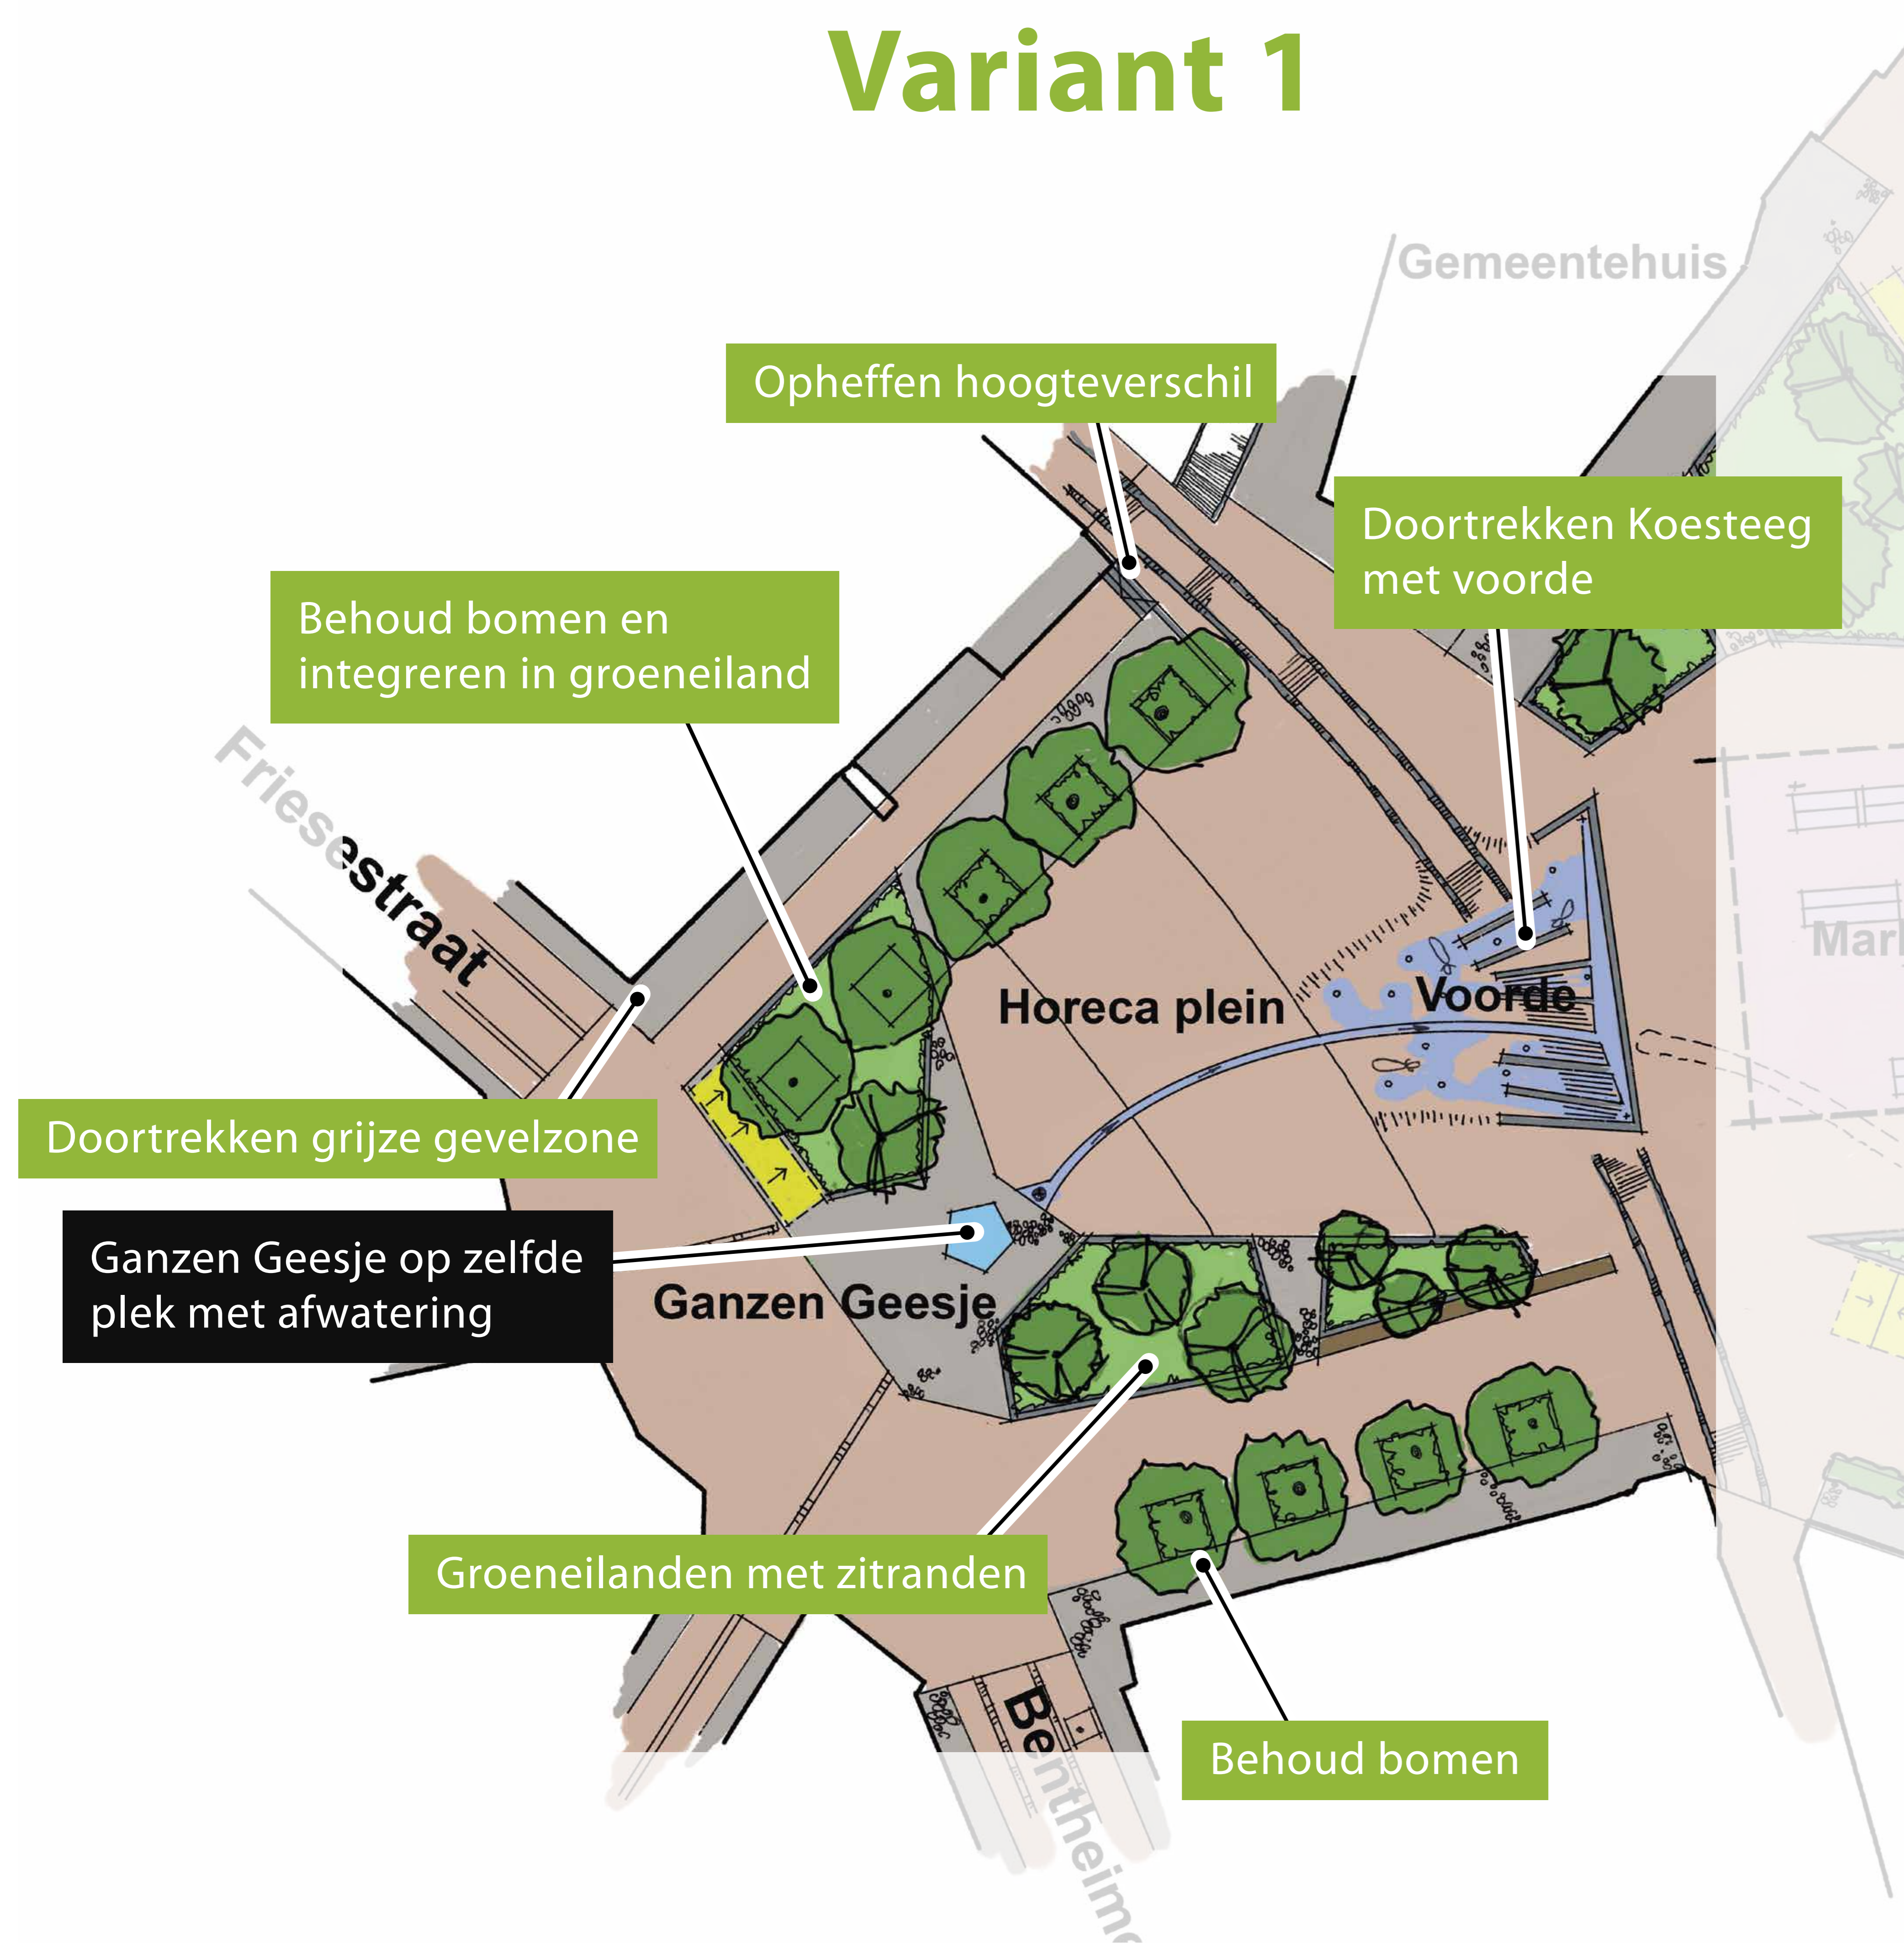

Variant 2

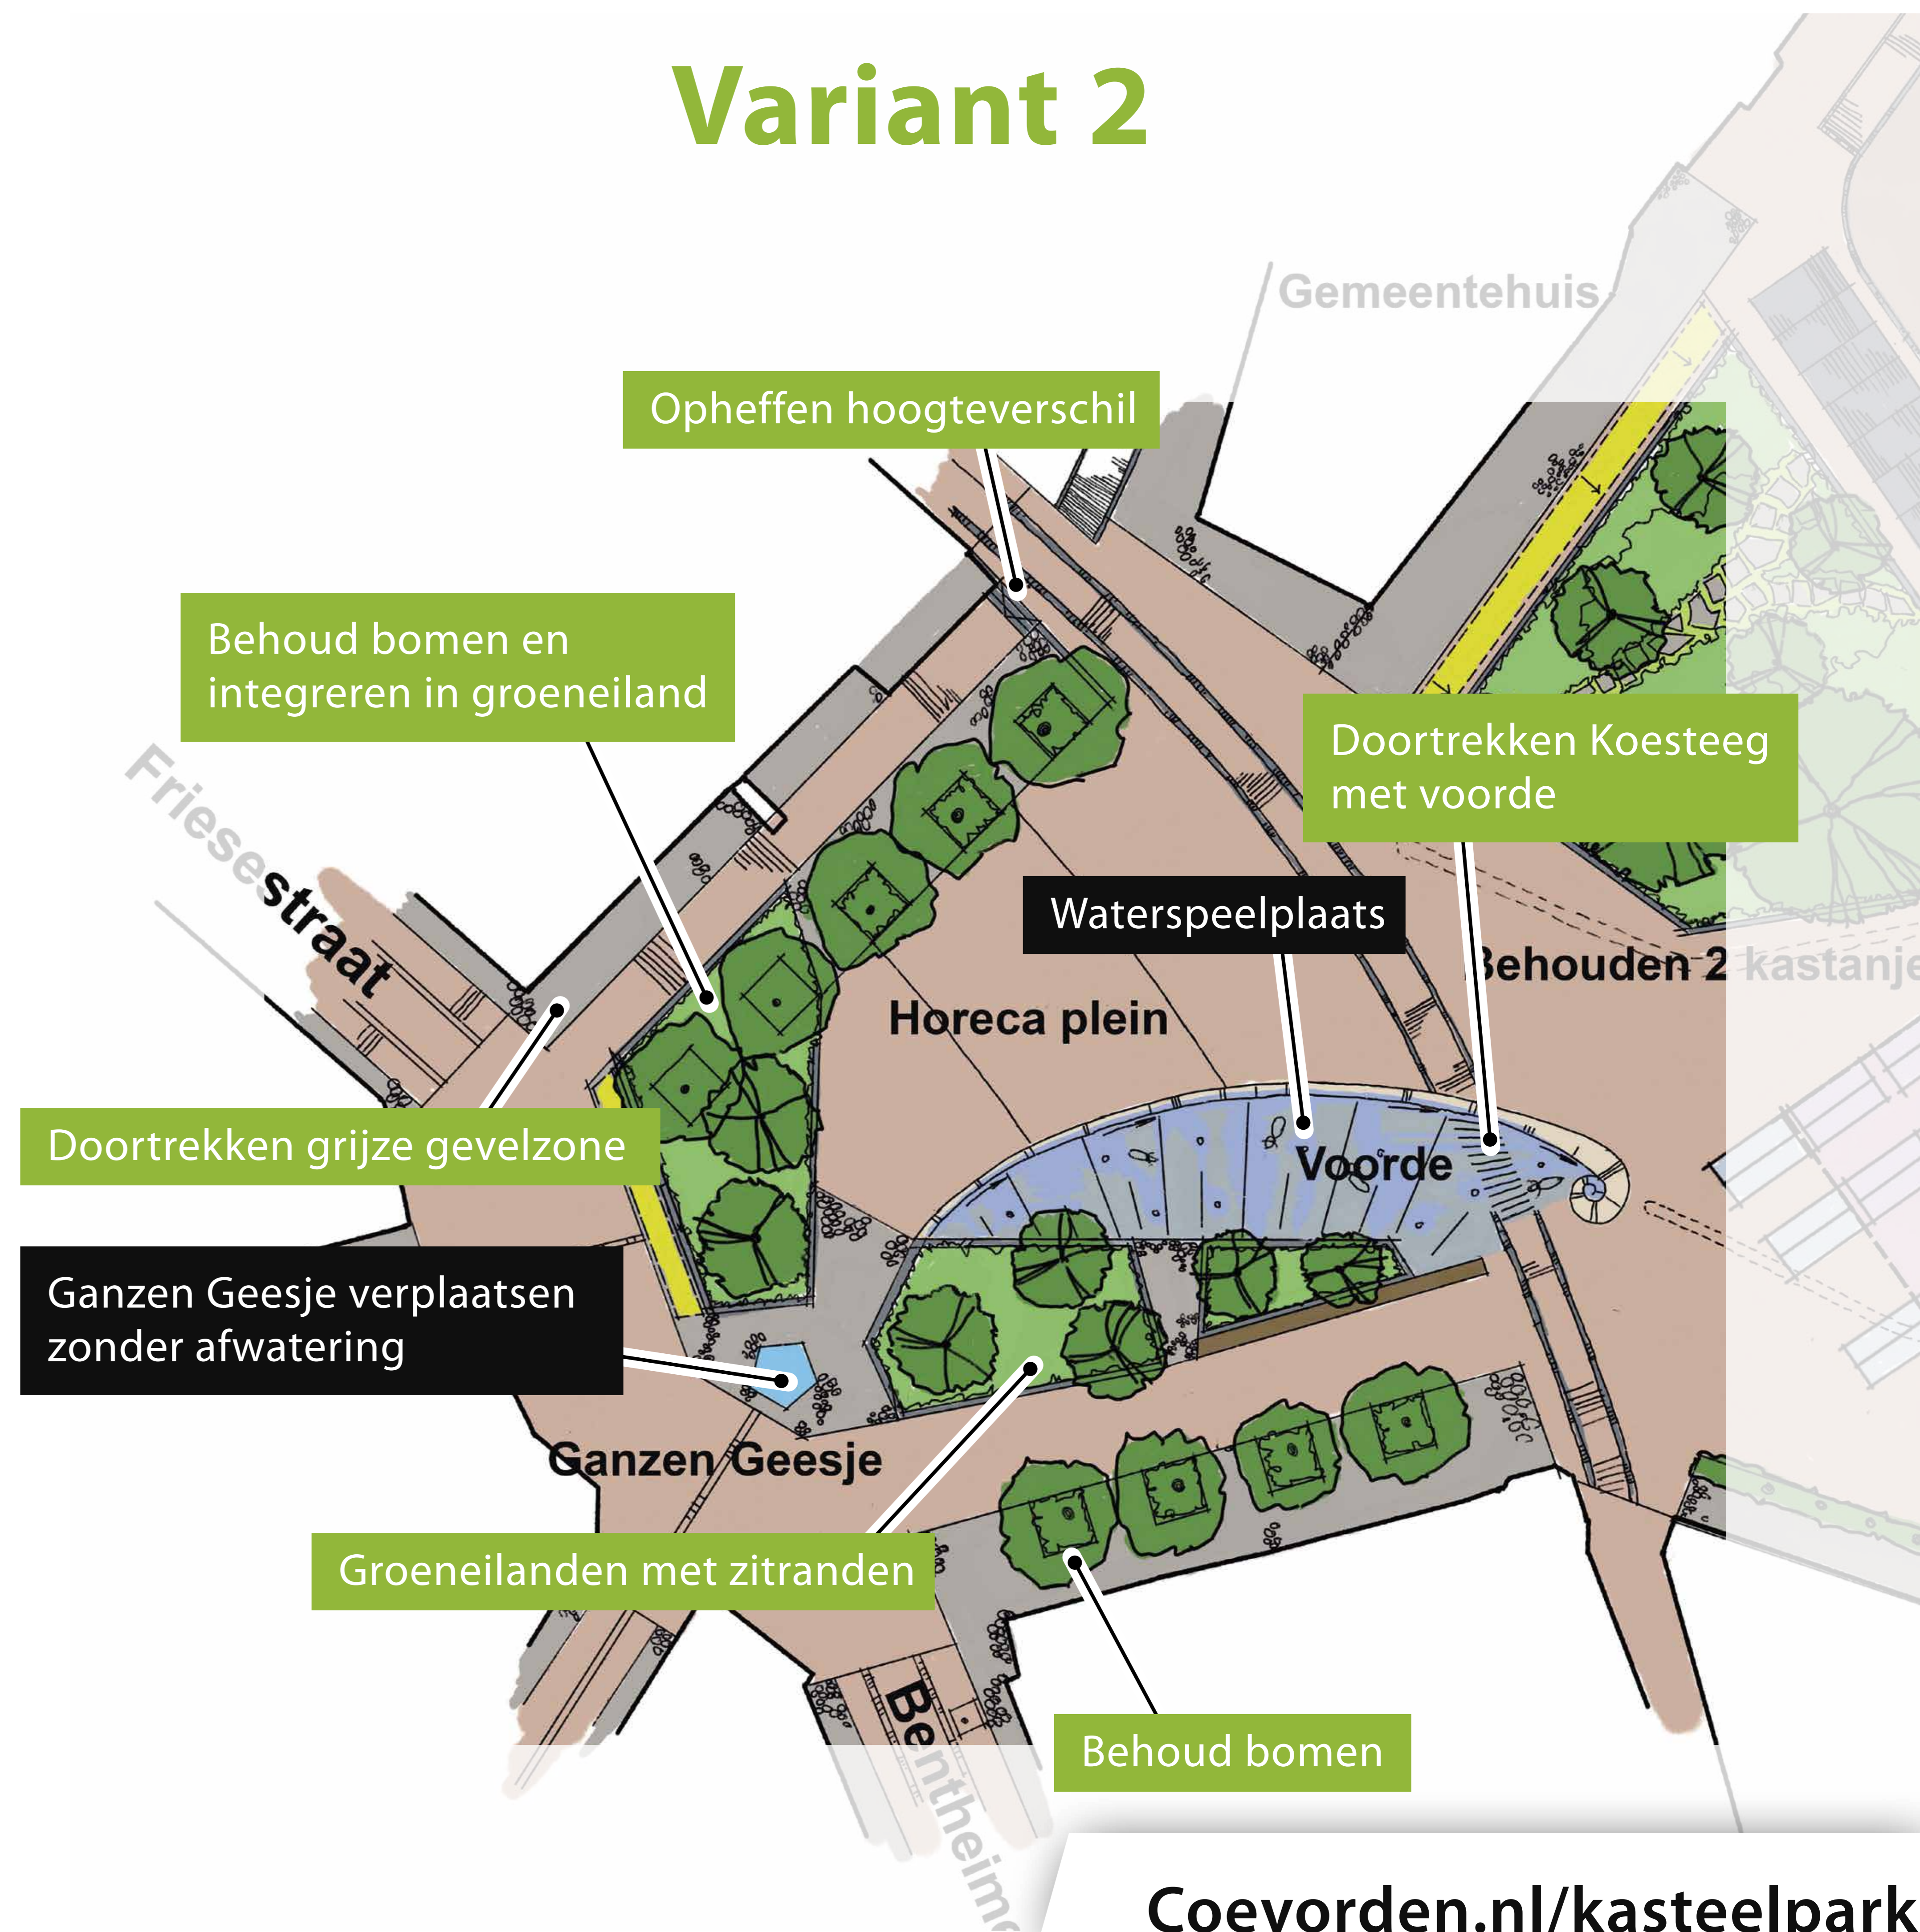

Horecaplein

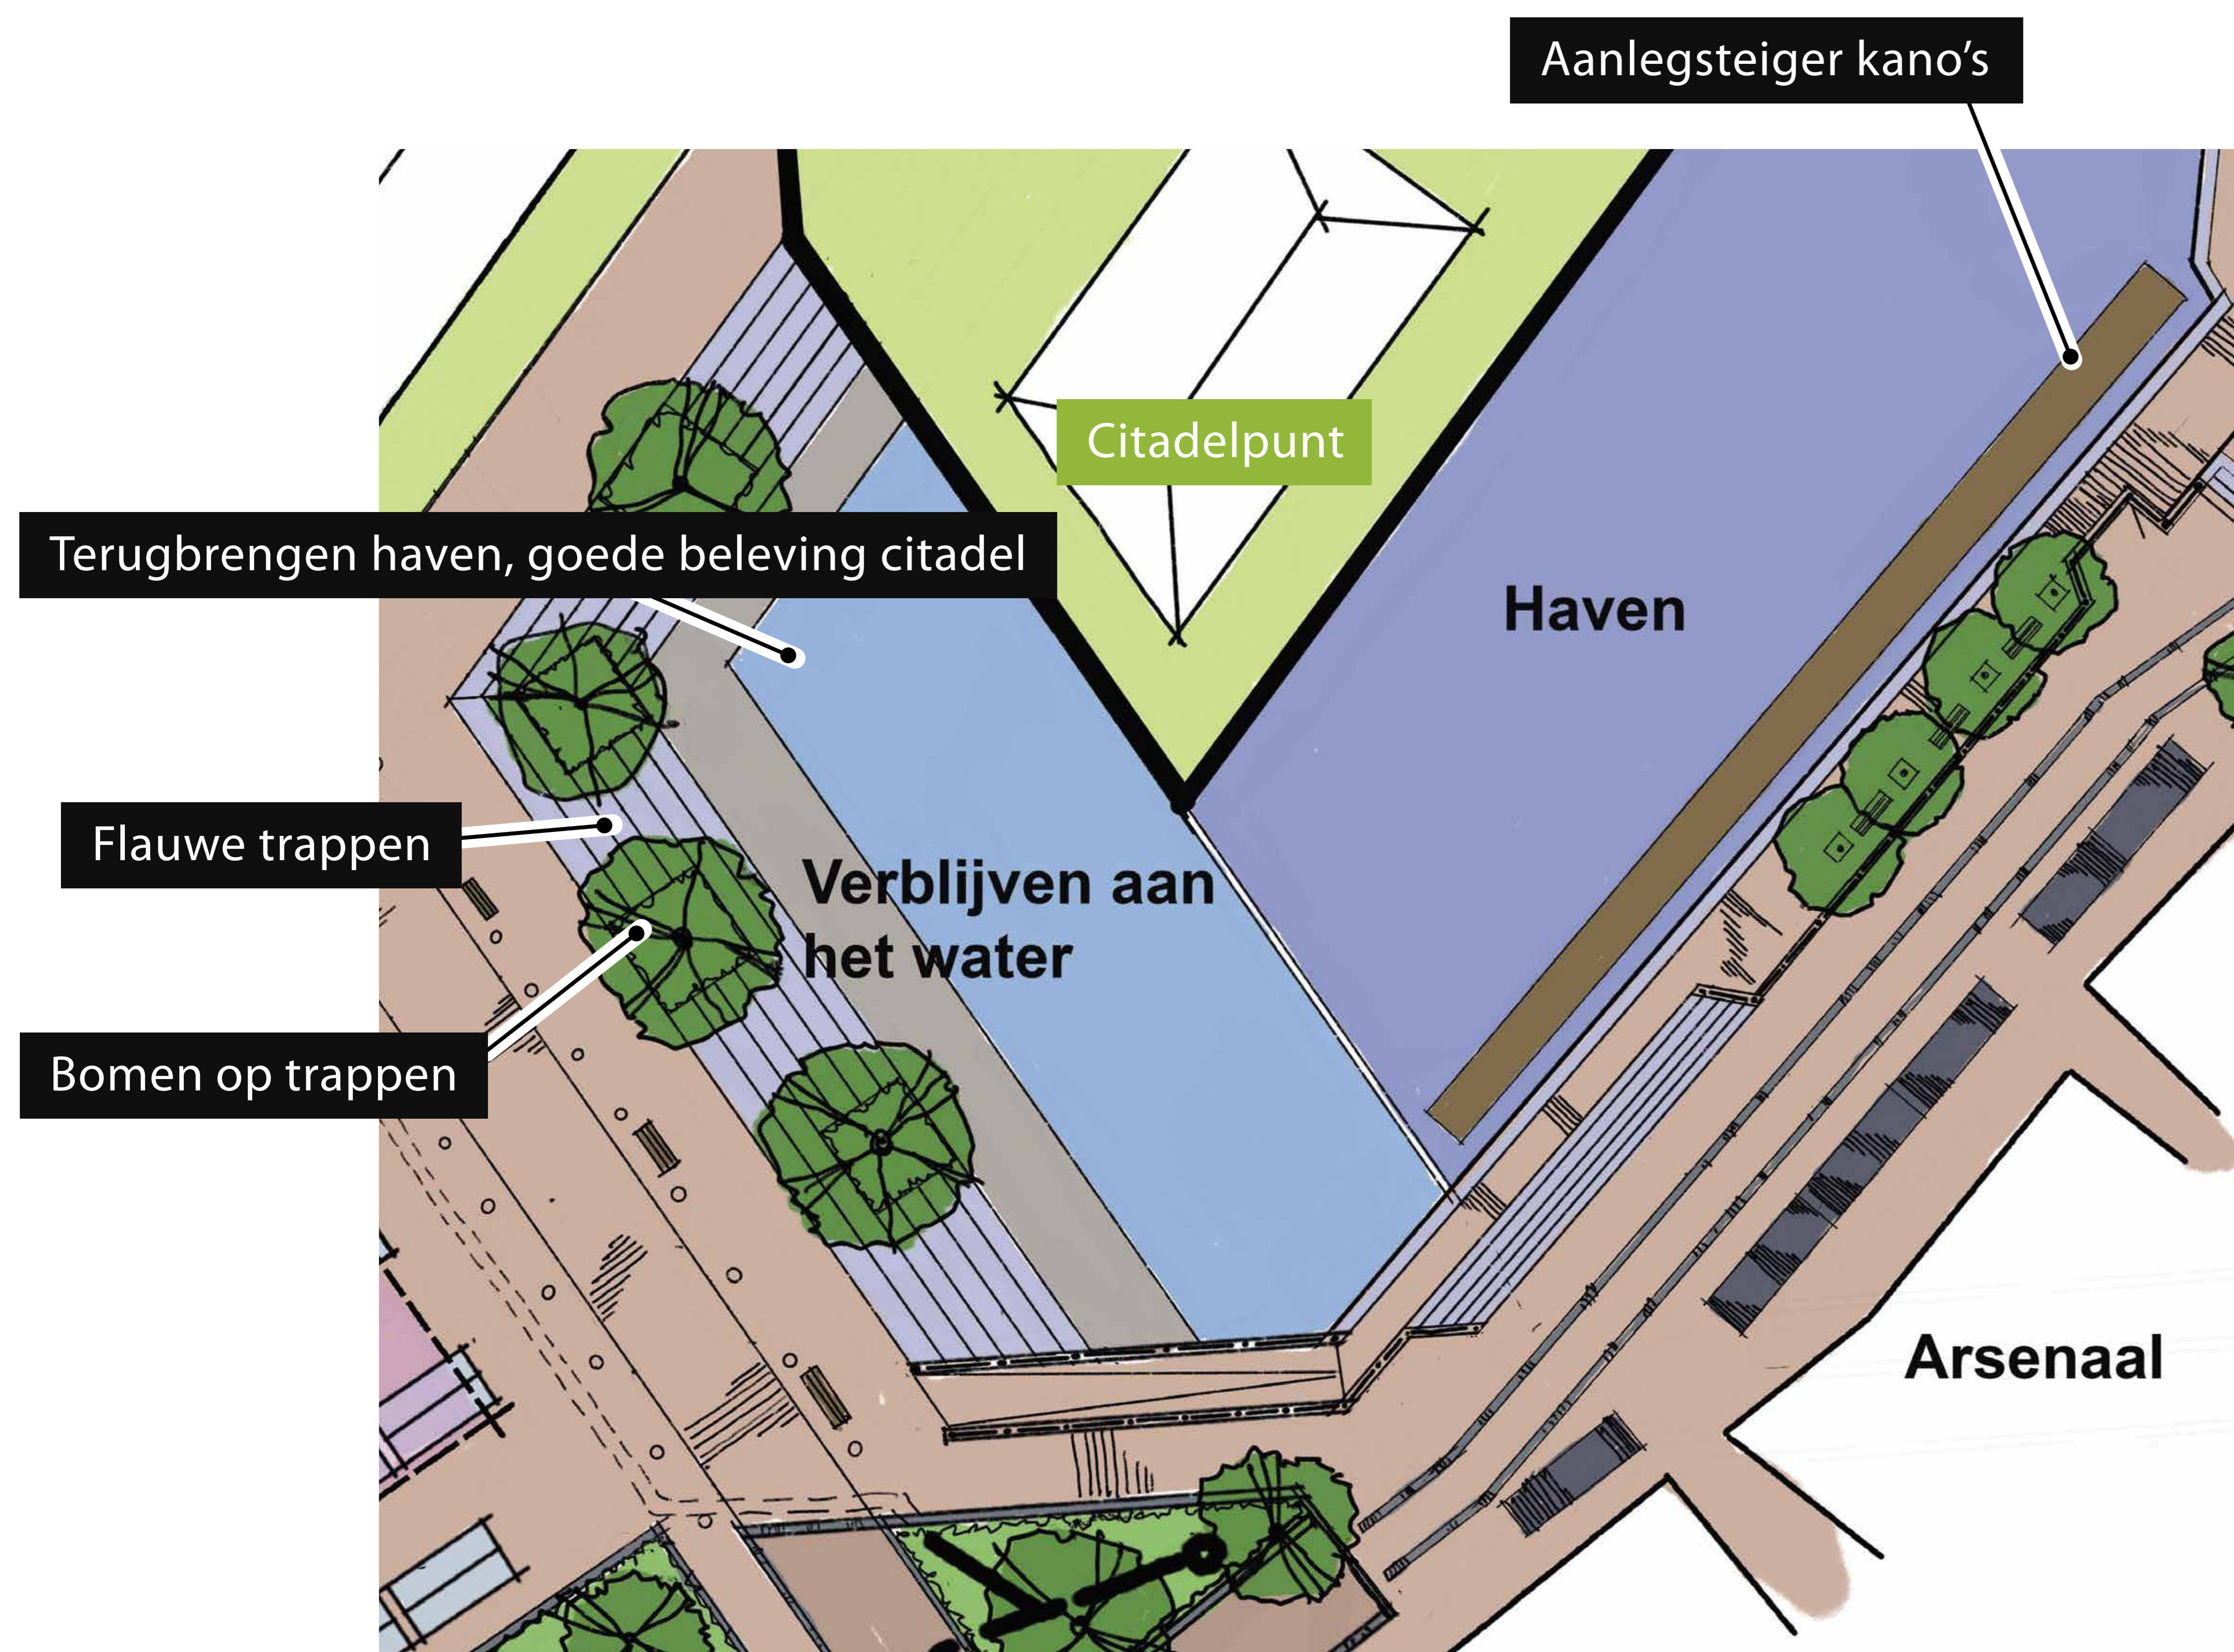

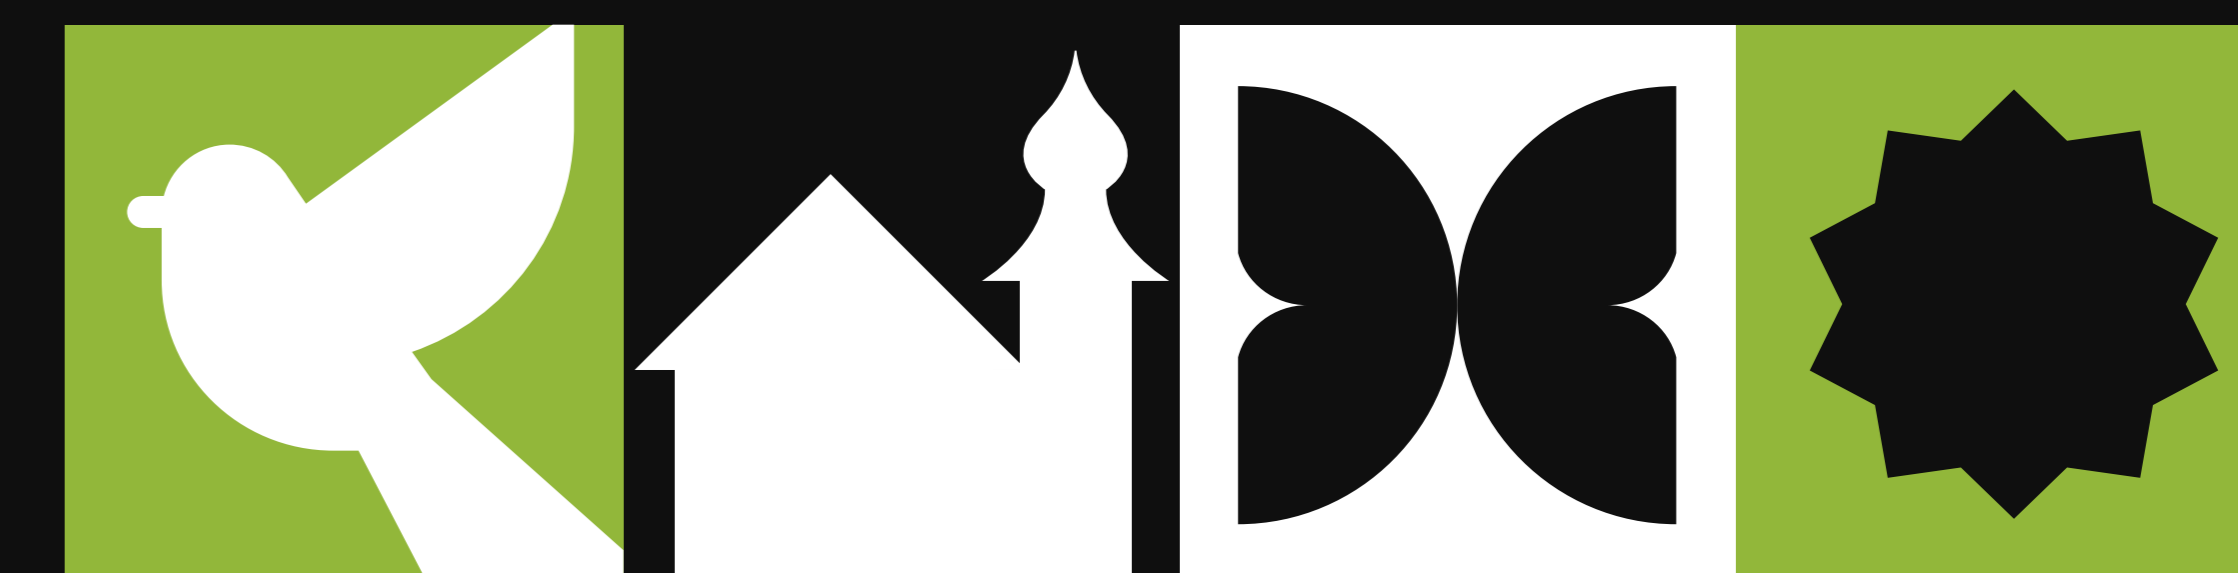

Variant 1

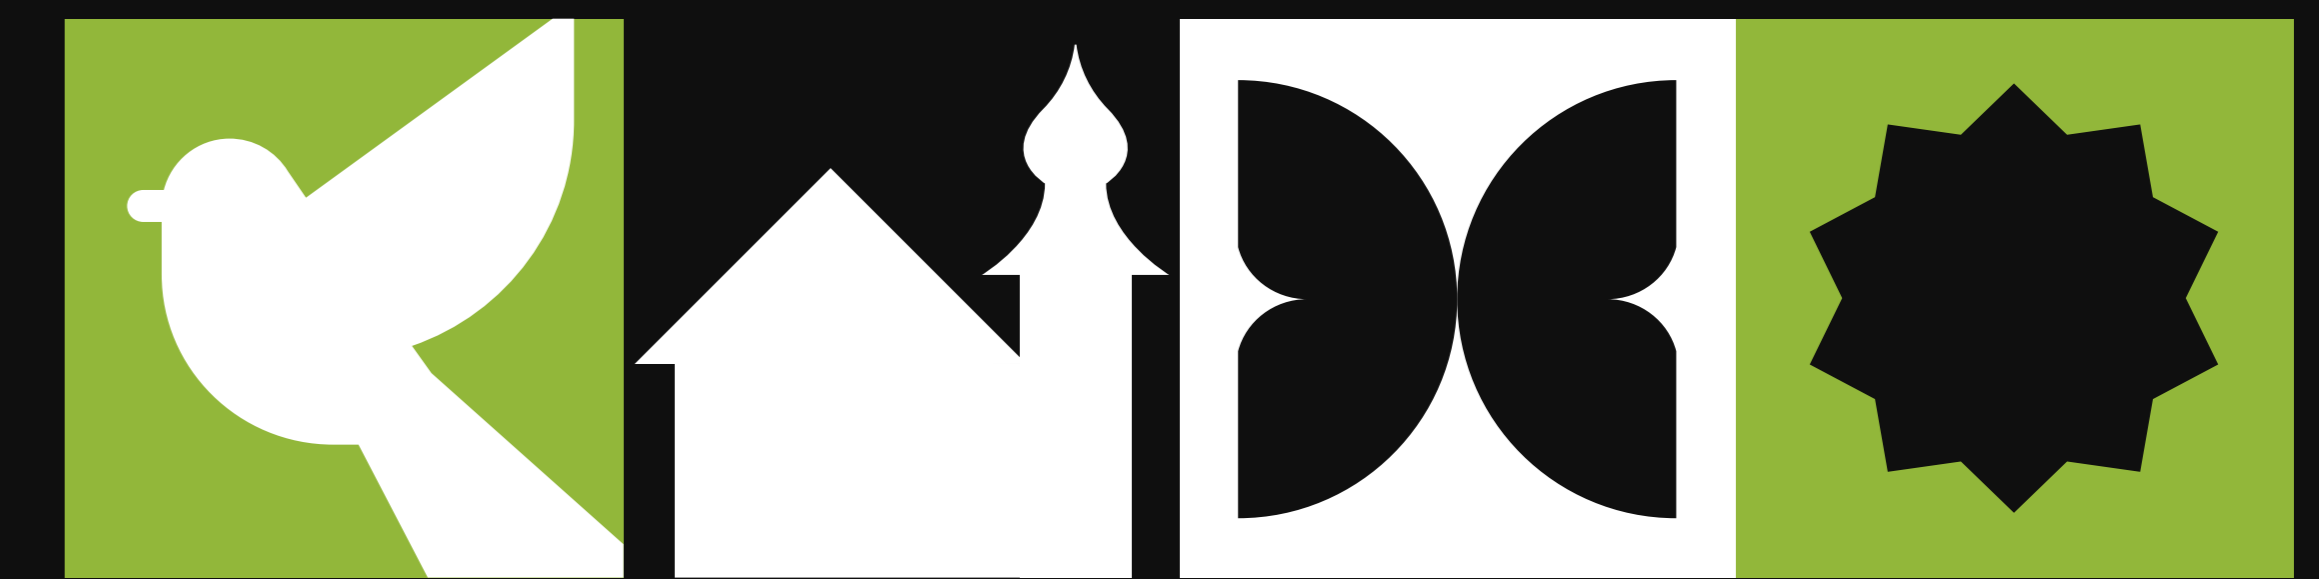

Variant 2

Mobiliteit

De Markt en Haven worden een autoluwe omgeving, ingericht op de voetganger en de fietser. Daarom worden een aantal parkeerplaatsen verplaatst en verspreid over de binnenstad, zoals naar de locaties Molenbelt en het Bogasterrein. Op de Markt blijft wel ruimte voor laden en lossen, gehandicaptenparkeerplaatsen en voor kort parkeren.
